

CLAUDD BUTLER

CLAUD BUTLER

As recreation becomes increasingly important, modern life styles allow for more leisure time. The results of which have expanded the areas of cycling to newer heights.

The new Claud Butler 1994 range has new features, specified with the very latest quality, hi-tech componetry.

Shimano's new Hyperdrive - C gear system delivers extra ground clearance, less weight and precision.

SHIMANO DEORE XT offering more performance for offroad or heavy duty trail riding with the parallax hub, optical gear display and hyperdrive-C chainwheel.

SHIMANO DEORE LX refined for a high performance ride, with the compact hyperdrive-C and rapidfire plus levers.

SHIMANO STX is a sports and recreation component system for quality, style and functionality.

SHIMANO ALIVIO makes full use of the newest Shimano functions and responds to the high demands of offroad riding, trekking and touring.

SHIMANO ALTUS C 50 offers an unexpected level of performance and has the refined S.T.I advanced light action.

ROCK SHOX The Rock Shox suspension forks are for a smoother, faster ride in all conditions.

TIOGA The Tioga's Alchemy Ahead steering system reduces weight and increases directional stability.

PSYCHO tyres for superb grip and accurate tracking.

ANTAEUS suspension

Rock Shox Quadra forks enhance the capability of the Antaeus to traverse rough terrain at a greater speed for the same energy input. Under less demanding situations the suspension increases comfort so you can appreciate the superb attributes of the new XT groupset, fitted to the ultralight 7005 series alloy frame. Whatever the circumstances this machine is glorious to ride.

Frame 7005 ALLOY. **Fork** Rock Shox Quadra suspension fork. **Gears** Shimano XT 24 speed S.T.I Rapidfire Plus Dual Index, Light Action Gears with Optical Gear Indicator System and Dual Repeat Function. Top pull front derailleur. **Chainset** Shimano Deore XT Hyperdrive "C" Dual Index low profile 22 - 32 - 42 SGX Triple Alloy / Steel detachable rings anodized silver cranks. **Chain** Shimano Hyperdrive Silver. **Freewheel** Shimano HG 90 11-28 8 speed spider arm configuration with alloy spider and steel rings silver finish. **Pedals** Tioga Surefoot VII with easy entry flips, Ti finish cage and polished alloy body. **Tyres** Psycho I Black wall directional 26 x 1.95. **Wheels** Mavic silver anodized rims Q.R. front and rear Deore XT contact double sealed Parallax hubs 32H stainless spokes. **Brakes** Shimano Deore XT "M" system low profile cantilevers with special unit link connectors and super M70 brake shoes. **Stem** Tioga lightweight polished alloy Alchemy Ahead system incorporating radial dual action wedge clamp. **Bars** Anodised purple Kinesis superlight 5051 Alloy. **Saddle** Titanium Selle Italia flite fine grain leather finish. **Seat pin** Kalloy polished Alloy micro-adjust unified clamp design. **Headset** Tioga Alchemy Ahead System. **Grips** Tioga Pro-X transparent rubber. **Bar ends** Claud Butler Alloy Unified Clamp Design. **Finish** Anodized Purple. **Frame Size** 16", 18", 20".

WARRANTY

Should any original component incorporated prove defective - in terms of material or workmanship - within its warranty period, Falcon Cycles will replace it. Warranty periods for components are as follows:

Frames and forks (except suspension forks):-
15 YEARS from date of retail purchase.

All other components:-
1 YEAR from date of retail purchase.

This warranty does not include labour and transportation charge. The company can accept no responsibility for consequential or special damages.

This warranty applies only to the original retail purchaser who must produce proof of purchase in order to validate any claim.

This warranty applies only in the case of defective components and does not cover the effects of normal wear or damage caused by accident, abuse, excessive loads, neglect, improper assembly, improper maintenance or the addition of any item inconsistent with the original intended use of the bicycle.

No bicycle is indestructible and no claims can be accepted for damage caused by improper use, competition use, stunt riding, ramp jumping, leaping or similar activities.

Claims must be submitted through your retailer. Your statutory rights are not affected by the foregoing.

Our bicycles conform to BS 6102/1 as set by the British Institute Testing Services. We reserve the right to change or amend any specification without notice. All information and specifications within this brochure are correct at time of going to press.
