FUJI MODEL PROFESSIONAL

A completely hand crafted and meticulously assembled machine whose primary function provides for the most direct transmission of power in the most efficient way possible.

Featuring a 74°x75° double butted chrome-moly frame weighing in at 20-1/2 lbs.

Sizes available every 1/2" from 20-1/2" to 24"

Silver Mink

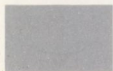

FUJI MODEL THE NEWEST

The ultimate choice of the discriminating cyclist. This is the perfect all around bike suitable both for distance touring and racing.

Featuring a completely handmade 74° parallel, double butted chrome-moly frame that is 100% chrome plated and then applied with three coats of baked on enamel.

Sizes available 22-1/2" & 24".

Silver

FUJI MODEL THE ACE

The natural choice of the aspiring novice racer and performance minded enthusiast.

Sporting a 73° parallel double butted chrome-moly frame and fully equipped with the Shimano Dura Ace line of components.

Sizes available 22-1/2" and 24".

Bronze

FUJI MODEL THE FINEST

The ultimate touring bike. This lightweight 23-1/2 lbs. double butted, chrome-moly bike features a 40-1/2" wheelbase and a generous fork rake to provide for the most comfortable ride possible with no compromise on performance.

This model also features an all 100% chrome plated frame with three coats of baked on enamel.

Sizes available 21", 23" & 25".

Rainbow Blue

FUJI MODEL FUJI AMERICA

This bike is designed especially for the long distance tourer or cycle camper with an eye on the budget but wishes no compromise on quality or performance.

Frame is constructed of double butted chrome-moly set at 73° parallel angles sporting a new Fuji 5-pin cotterless crank, bar end shifter, a leather copper riveted saddle and high pressure tyres on light alloy rims.

Sizes available 21", 23" & 25".

Burgundy

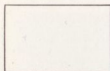

Victory Blue

FUJI MODEL S10-S

This overwhelmingly popular and consistently top rated model continues to provide the best value for the money and no wonder, with its high tension steel tubing and top choice of light alloy components it provides the rider with the performance and the characteristics of a bike worth twice the price.

Sizes available 21", 23" & 25".
