

BIANCHI

1991 BICYCLES

A LONG-STANDING TRADITION IN CYCLING, THE WINNER'S BOUQUET IS AWARDED TO THE TRIUMPHANT CYCLIST AT THE FINISH LINE. BIANCHI TEAM RIDERS HAVE BROUGHT HOME NUMEROUS BOUQUETS, AS WELL AS TROPHIES AND MEDALS FROM OVER 1,000 MAJOR RACES BEGINNING IN 1899 AT THE PARIS GRAN PRIX. FOR THE PAST CENTURY, WE HAVE CELEBRATED MULTIPLE VICTORIES IN THE TOUR DE FRANCE, GIRO D'ITALIA, LIEGE-BASTON-LIEGE AND THE WORLD CHAMPIONSHIPS.

C H A L L E N G E

SOME PEOPLE THRIVE ON CHALLENGE. YOU'VE
SEEN THEM. THEIR EYES GET A LITTLE WIDER,
THEIR HEARTS BEAT A LITTLE FASTER. AND
ONE GOAL ACHIEVED IS JUST NOT ENOUGH.
NOTHING IS MORE SATISFYING THAN GETTING
EXACTLY WHERE YOU WANT TO BE. YOU MIGHT
AS WELL AIM HIGH. YOU MIGHT AS WELL GO
FOR THE BEST.

WE HAVE SPENT OVER A HUNDRED YEARS
DOING JUST THAT, ENGINEERING OUR BICY-
CLES TO GIVE THE RIDER THE MEANS TO

REACH ANY GOAL IN MIND, FROM THE TOUR
DE FRANCE TO JUST TOURING FRANCE.

BIANCHI WAS BORN INTO THE WORLD OF COM-
PETITIVE CYCLING. WITH OUR FACTORY IN
TREVIGLIO, ITALY, NEAR MILAN, WE'VE ALWAYS
BEEN AT THE HEART OF RACING. WE'VE NEVER
FORGOTTEN THE LESSONS LEARNED FROM
WORLD CLASS CHAMPIONS WHO DEMAND THE
BEST FROM THEMSELVES AND THEIR EQUIP-
MENT. SO NOW IT'S YOUR TURN.

GET ON YOUR BIANCHI AND RIDE.

INSPIRATION

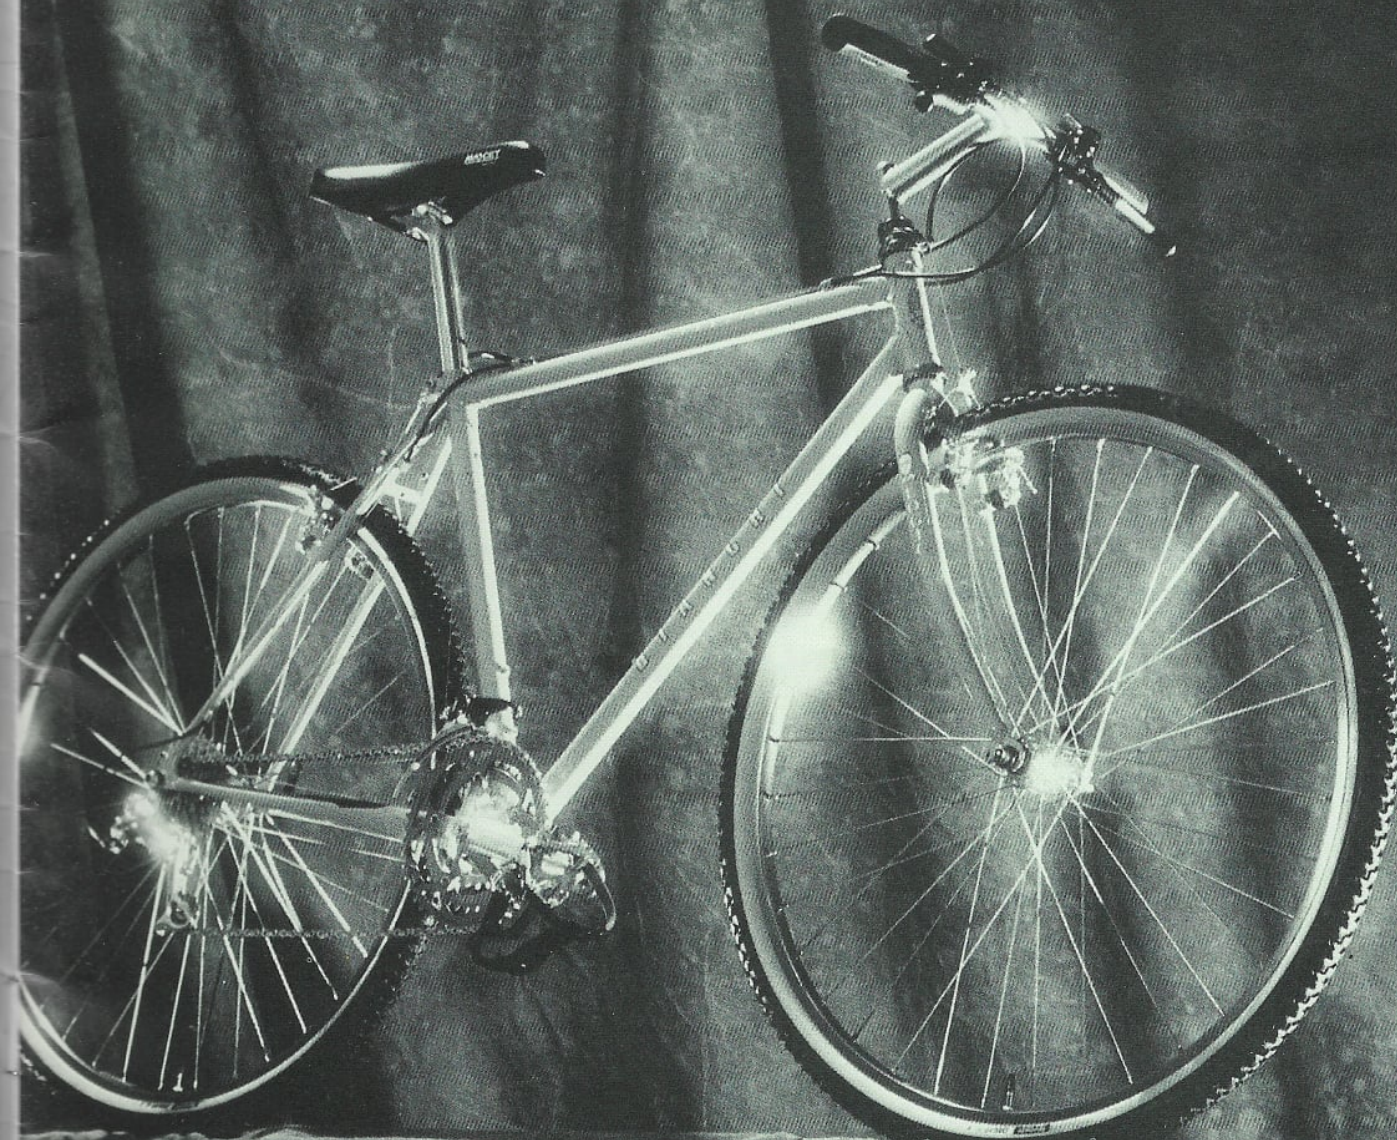

BIANCHI HAS ALWAYS LOOKED TO THE RACING ENVIRONMENT FOR INSPIRATION AND IMAGINATION. IT IS THIS TRAINING GROUND THAT HAS INFLUENCED OUR LATEST INNOVATIONS FOR OUR 1991 ROAD, MOUNTAIN AND CROSS-TERRAIN® BICYCLES.

EXAMINING WHAT DOES AND DOESN'T WORK FOR A COMPETITIVE CYCLIST ALLOWS US TO RESPOND TO A SPECIFIC PROBLEM WITH A SPECIFIC SOLUTION. THIS SYSTEM OF TECHNICAL RESPONSE CREATES EFFICIENT, STRONG, AND LIGHTWEIGHT BICYCLES. IT'S OUR JOB TO GIVE THE CYCLIST A PRODUCT WHICH ENHANCES PERFORMANCE AND COMFORT. AND IF WE CAN DO THAT FOR WORLD CHAMPIONS, WE CAN DO IT FOR YOU.

OUR LATEST TECHNICAL SOLUTIONS HAVE RESULTED IN SOME NEW DIRECTIONS FOR OUR BICYCLES. THE CROSS-TERRAIN LINE OF BIKES EVOLVED FROM THE IDEA THAT ONE BIKE COULD BE RIDDEN COMFORTABLY OVER A VARIETY OF TERRAINS. THEY OFFER GREATER VERSATILITY AND AGILITY THAN A MOUNTAIN BIKE, WITH THE SPEED AND LIGHTNESS OF A ROAD BIKE.

BY CONSIDERING THE NEEDS OF ALL CYCLISTS, WE HAVE CREATED A BROAD RANGE OF CHOICE FOR NEW OR SEASONED RIDERS. WE'LL KEEP LISTENING TO OUR RIDERS, AND WE'LL KEEP DESIGNING BIKES TO GET YOU WHEREVER YOU WANT TO GO.

THE REMARKABLE PROJECT-7 REPRESENTS THE GULMINATION OF BIANCHI'S PHILOSOPHY OF CREATING REAL PRODUCTS FOR REAL CYCLING NEEDS. IT IS A DESCENDANT OF THE VOLPE, THE FIRST PRODUCTION CROSS-TERRAIN BICYCLE INTRODUCED SIX YEARS AGO. IN 1991, WE CONTINUE TO IDENTIFY PATTERNS OF ACTUAL USE AND RESPOND WITH INNOVATIVE BICYCLE DESIGN.

SUPERSET 2™

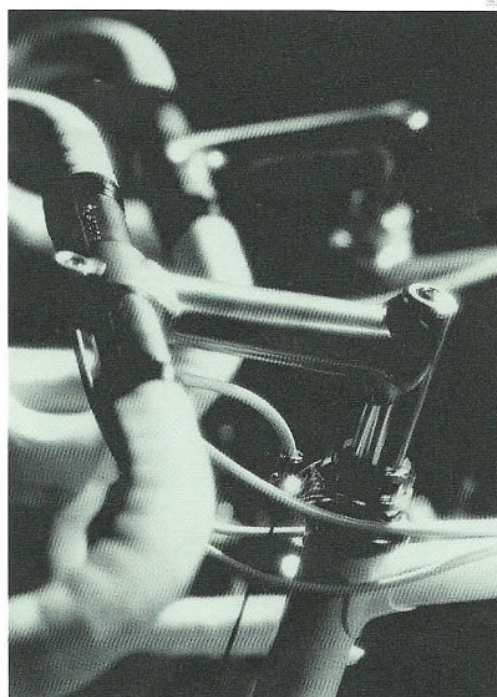

SUPERSET 2 INCORPORATES OUR EXCLUSIVE BOTTOM BRACKET DESIGN WITH A UNIQUE BLEND OF THINNER GAUGE, AND SELECTIVELY OVERSIZED TUBES. THIS INCREASES THE RIGIDITY IN THE LOWER PORTION OF THE FRAME WITHOUT INCREASING THE WEIGHT. WE ALSO OVALIZE THE DOWNTUBE AS IT APPROACHES THE BOTTOM BRACKET TO DECREASE SIDE-TO-SIDE FLEX AND THE UNCOMFORTABLE ROAD-SHOCK INHERENT IN SOME "SUPER STIFF" FRAMESETS. THE RESULTING BICYCLE ACCELERATES FASTER, AND CLIMBS MORE QUICKLY WHILE RETAINING COMFORT.

HI-WIRE™

HI-WIRE IS AN EXCLUSIVE BIANCHI CABLE GUIDE THAT ROUTES THE BRAKE AND DERAILLEUR CABLES THROUGH A ONE PIECE TOP-TUBE CABLE STOP. HI-WIRE FACILITATES ASSEMBLY AND MAINTENANCE; KEEPS CABLES CLEAN, DRY AND SAFE FROM HAZARDS; REQUIRES ONLY TWO BRAZING POINTS, INSTEAD OF THE USUAL SIX, THEREBY ELIMINATING POTENTIAL WEAK POINTS ON THE TUBE. IT INCREASES THE DIRECT ROUTING OF THE CABLES WHICH TRANSLATES INTO SMOOTHER BRAKING AND SHIFTING DUE TO LESS CABLE COMPRESSION. WHEN YOU TEST RIDE A BIANCHI, YOU WILL NOTICE THE DIFFERENCE.

WITH HI-WIRE, THE CABLES APPROACH THE FRONT DERAILLEUR FROM THE TOP, RATHER THAN FROM UNDER THE FRAME. WE WORKED CLOSELY WITH SUNTOUR IN 1989, TO DEVELOP OUR TOP PULL DERAILLEUR, NOW AN INDUSTRY STANDARD. ASSEMBLY AND MAINTENANCE IS EASIER, BECAUSE THE DERAILLEUR CABLE IS ANCHORED AT THE TOP. ATTENTION TO SMALL DETAILS LIKE THESE MEANS MORE RIDING TIME FOR YOU.

90 DEGREE STEM

BIANCHI 1991 EQUINOX, AXIS AND VOLPE MODELS, AND MANY NEW ROAD BIKES USE THE 90 DEGREE STEM. LIGHTER, SHORTER AND STRONGER THAN THE TRADITIONAL 73 DEGREE STEM, THE 90 DEGREE STEM CAN BE ADJUSTED HIGHER THAN TYPICAL STEMS WITHOUT SACRIFICING SAFETY. THESE STEMS HAVE INSTANT APPEAL TO TRIATHLETES FOR USE WITH AERO BARS, AND TO THE NEW RIDER FOR THE COMFORTABLE RIDING POSITIONS THEY CREATE.

FITNESS / PROJECT HABITAT

CYCLING IS ONE OF THE BEST WAYS TO ACHIEVE ALL AROUND FITNESS. ALL YOU NEED IS YOUR BIKE, A PLACE TO RIDE, AND THE WILL TO GO FAR ENOUGH TO DO YOURSELF SOME GOOD. IT'S A DIRECT WAY TO INTERACT WITH YOURSELF AND YOUR ENVIRONMENT. THE BENEFITS OF CYCLING IN A PROPER PROGRAM OF DISTANCE AND SPEED YIELD VERY VISIBLE, DESIRABLE EFFECTS ON THE BODY.

TO REAP THESE BENEFITS, YOU NEED A BIKE THAT'S RESPONSIVE, QUICK, FUN TO RIDE AND, MOST OF ALL, COMFORTABLE. THAT SORT OF BIKE HAPPENS TO BE BIANCHI'S SPECIALITY.

WHILE WE'VE BEEN CREATING NEW FORMS OF CYCLING, WE'VE ALSO BEEN LOOKING AT THE IMPACT RIDING HAS ON THE ENVIRONMENT. OFF-ROAD RIDING HAS BEEN AFFECTED BY

ENVIRONMENTAL CONCERNS. RECKLESS RIDING CAN ENDANGER OTHERS WHO SHARE THE TRAILS AS WELL AS HABITATS OF INCREASINGLY RARE WILDLIFE. RESPONSIBLE RIDING ENSURES ACCESS TO OFF-ROAD TRAILS FOR THE RIDER, AND PROTECTION FOR THE CREATURES LIVING THERE. BIANCHI'S PROJECT HABITAT ADDRESSES THE OFF-ROAD ISSUE, WITH MOUNTAIN BIKES NAMED FOR ENDANGERED SPECIES AND GUIDELINES FOR SAFE RIDING. AS PART OF EVERY BIANCHI MOUNTAIN BIKE PURCHASE, WE MAKE A MONETARY CONTRIBUTION TO THE RAILS-TO-TRAILS CONSERVANCY, DEFENDERS OF WILDLIFE, OR YOUR PERSONAL CHOICE OF ENVIRONMENTAL GROUP.

IT'S A GREAT TIME TO GET FIT... AND TO MAKE A DIFFERENCE.

UNDER PROPER DIETARY AND TRAINING CONDITIONS, CYCLING CREATES AN "AEROBIC EFFECT" IN THE BODY. LUNG AND HEART EFFICIENCY INCREASES, BLOOD PRESSURE IS LOWERED, AND MUSCLE TONE IMPROVES. THE IMMUNE SYSTEM ALSO BENEFITS, STRENGTHENING THE BODY AGAINST ILLNESS AND DISEASE. PERHAPS MOST EXCITING, CYCLING CAN RESULT IN A FIRM BODY, CHANGING FAT TO LEAN WEIGHT.

BIANCHI BICYCLES OFFER EACH RIDER AN OPTION FOR INDIVIDUAL TAILORING. INTERNATIONALLY ACCLAIMED RIDERS SUCH AS COPPI, GIMONDI, AND ARGENTIN[®] HAVE FOUND BIANCHI BICYCLES TO BE THE BEST CHOICE FOR PERFORMANCE.

WE ESTIMATE THAT THE VAST MAJORITY OF CYCLISTS NEVER USE THE BICYCLE THEY PURCHASE FOR THE PURPOSE IT WAS INTENDED. WE FEEL THAT YOUR MAXIMUM ENJOYMENT DEPENDS ON KNOWING THE KIND OF CYCLING YOU REALLY WANT TO DO, AND CHOOSING THE BIKE BEST SUITED TO THAT CATEGORY OF RIDING. WE OFFER A WIDE SELECTION OF BICYCLES, TIRES AND ACCESSORIES.

CROSS-TERRAIN

WE PIONEERED THE FIRST CROSS-TERRAIN BIKE, THE VOLPE, IN 1986. BY RECOGNIZING HOW PEOPLE WERE REALLY USING THEIR BIKES, WE EXPANDED RIDING VERSATILITY BY COMBINING THE LIGHTWEIGHT RESPONSIVENESS OF A ROAD BIKE WITH THE COMFORT AND DURABILITY OF A MOUNTAIN BIKE. OUR CROSS-TERRAIN BIKES HAVE FLAT OR DROP BARS AND ACCEPT 700C TIRES IN A WIDE ASSORTMENT OF TREAD PATTERNS AND SIZES.

MOUNTAIN

WE CONTINUE TO ADDRESS THE NEEDS OF TRUE OFF-ROAD RIDERS WITH SEVEN DIFFERENT MODELS, DESIGNED FOR ALL-AROUND PERFORMANCE AND HANDLING CHARACTERISTICS. RITCHEY LOGIC TUBING AND FORKS BUILT FOR CUSTOM BIANCHI SUPERSET 2 BOTTOM BRACKETS, LIGHTWEIGHT SUNTOUR GREASE GUARD COMPONENTS AND EXCLUSIVE BIANCHI DETAILS DISTINGUISH OUR MOUNTAIN BIKES FROM THE REST OF THE PACK.

ROAD

WE'VE BEEN MAKING ROAD BIKES FOR OVER 105 YEARS. IF YOU KNOW OF ANYBODY ELSE WHO CAN CLAIM THAT, WE'D LIKE TO KNOW THEIR NAME. BIANCHI ROAD BIKES ARE THE EPITOME OF THE CLASSIC ITALIAN RACING MACHINE, THEIR DEVELOPMENT INTERTWINED WITH THE GREAT HISTORY OF CYCLING AND RIDDEN BY SUCH LEGENDS AS FAUSTO COPPI, FELICE GIMONDI AND MORENO ARGENTIN. FINE-TUNED AND UPGRADED OVER THE YEARS, OUR ROAD BIKE LINE INCLUDES A MODEL FOR ANY CYCLIST AT ANY INTEREST OR FITNESS LEVEL.
