

EDDY MERCKX CYCLES - ROAD, TRACK AND TRIATHLON MODELS

THE EXPERIENCE YOUR WARRANTY OF PERFECTION

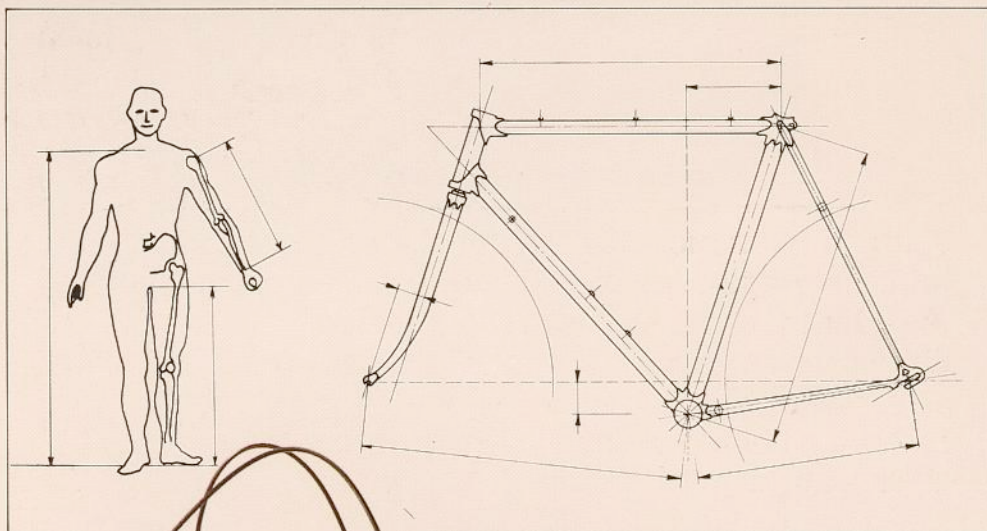

Eddy Merckx bicycles are developed and hand built with the greatest precision and with the best geometry in order to guarantee a perfect balance.

Each bicycle passes through every stage of production accompanied by a detailed measurement sheet, including choice of accessories, prepared for you with the help and guidance of our technicians. The result is a "made-to-measure" vehicle. Not just a superb machine, but a bicycle that in a very real sense reflects you and your individual personality.

RACE FRAMES AND CUSTOM-BUILT BIKES.
