BICYCLES

World Champion

FROM COPPI TO GIMONDI, THE HISTORY OF PROFESSIONAL CYCLING HAS BEEN WRITTEN BY BIANCHI, THE LEGENDARY BICYCLE OF CHAMPIONS. BIANCHIS ARE CREDITED WITH IMPORTANT VICTORIES IN INTERNATIONAL BICYCLE RACING EVENTS, INCLUDING:

ROAD WORLD CHAMPIONSHIPS, (FAUSTO COPPI 1953 - FELICE GIMONDI 1973), WORLD TRACK CHAMPIONSHIPS (2), TOUR DE FRANCE (2), GIRI D'ITALIA (10), PARIS-ROUBAIX (1), PARIS-BRUXELLES (1), AND MILAN-SAN REMO (11) AS WELL AS OVER 1,000 VICTORIES IN ROAD AND TRACK EVENTS.

Bianchi THE BICYCLE

THE CLASSIC Super Corsa

This is the model everyone dreams of. Who won't appreciate the craftsmanship, hand detailing, and years of racing experience that has gone into designing this superb achievement in lightweight elegance and performance? Meticulously put together by hand in Bianchi's special racing department, this model is definitely for the serious enthusiast.

SUPER LEGGERA

This model was designed using the same technology and experience as the Super Corsa, however some different components are used to satisfy less demanding bicycle enthusiasts.

REKORD "M" STRADA

This model is Bianchi's answer to the cyclist who demands excellence in materials, components, design and performance at a moderate cost.

All
the makings
of a
Champion.

Bianchi's attention to detail is testimony to

Hand lightened gear levers and polished chrome lugs are just a few indications of Bianchi's superior assembling techniques. The finishing on these bicycles is un-

CLE BUILT FOR FEW.

REKORD 748

Equipped with an assortment of quality components, the Rekord 748 complements the top line Super Corsa and Super Leggera by satisfying the needs of bicyclists with a growing commitment to the sport.

SPRINT/81

The Sprint/81 was designed for people who enjoy the spirit of racing, but who won't give up their touring pleasure.

REKORD "W" STRADA

The Rekord "W" Strada features the same basic quality components as the Rekord "M" Strada using a frame designed and tailored especially for women.

SUPER TURISMO

Riding Bianchi's classic English-style touring bicycle is a completely unique experience. Comfortable touring and smooth, practical operation are key factors in the Super Turismo design.

The top model is equipped with Campagnolo side-pull "Super Rekord" brakes and Campagnolo "Super Rekord" derailleur.

Top of the line Bianchi frames are built with Columbus chromoly tubing for maximum strength, elasticity and lightness.

BIANCHI USES ONLY THE BEST COMPONENTS

"COLUMBUS"

Bianchi has been producing bicycles of quality, excellence and technical superiority since 1885. Over 600,000 bicycles are currently produced each year at Bianchi's four factories (the largest is located in Treviglio near Milan). Vespa of America is the sole United States distributor of Bianchi bicycles, great companions to the products already handled for years, the famous Vespa scooters and mopeds.
