LAST YEAR

WE TALKED TOO LONG RIGHT HERE IN OUR LITTLE **"DEAR BRUCE"** SECTION, SO THIS YEAR WE'VE DECIDED TO KEEP IT SHORT AND SWEET...

THIS YEAR, BULLITS' SHOP, BOW CYCLE, TURNS 50.

THIS YEAR KONA TURNS 20.

THIS YEAR SOME KID IN TEMECULA IS TURNING 17...
AND COULD GIVE A CRAP ABOUT THE FIRST TWO MILESTONES.

... AND THE **SPORT OF CYCLING**
KEEPS PROGRESSING AT BOOMING LEVELS.

WE'LL HAPPILY BE RIGHT HERE AT THE FRONT OF IT ALL,
MAKING EQUIPMENT THAT MATTERS.

WE MADE IT ANOTHER YEAR.
SIGN ON THE DOOR STILL READS "OPEN".
WE'RE UP.

LET THE GAMES BEGIN.

MAGIC LINK TECHNOLOGY

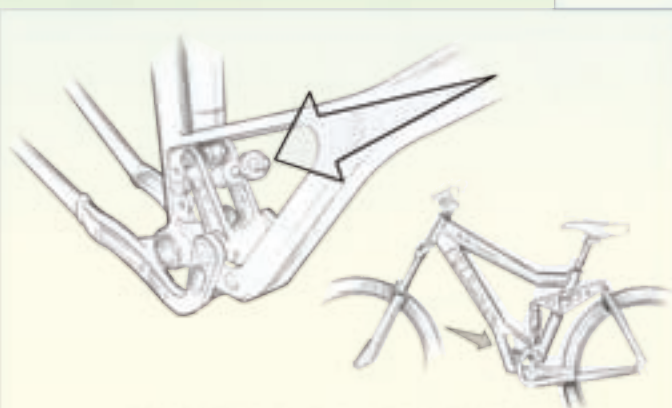

THIS NEW DEVELOPMENT HAS BEEN UNDER THE CLOAK OF DARKNESS TILL NOW. JAKE, DEW AND PADDY HAVE HAD MEETINGS IN DARK ALLEYS PASSING MICROFILM BETWEEN THEM AND THE GUYS OVER AT BRAKE THERAPY...AND IT WAS ALL GETTING PRETTY STRANGE. BUT NOW WE CAN STOP ALL THE SECRETS AND LET THE CAT OUT THE BAG. MAGIC TECHNOLOGY ALLOWS THE SUSPENSION CHARACTERISTICS, SUCH AS SPRING RATE, RISING RATE, AND WHEEL TRAVEL, TO AUTOMATICALLY CHANGE IN ACCORDANCE WITH THE RIDER'S NEEDS. THIS HAPPENS WITHOUT ANY EXTRA INPUT FROM THE RIDER, SUCH AS FLIPPING A LOCKOUT SWITCH, OR OTHERWISE MAKING SOME ADJUSTMENT TO COMPENSATE FOR VARIOUS RIDING CONDITIONS. ADDITIONALLY, THE LINK ALLOWS CHANGES TO CRITICAL GEOMETRY FACTORS, SUCH AS HEAD AND SEAT TUBE ANGLE, TO OCCUR AUTOMATICALLY. OUR POPULAR SERIES OF COILAIR BIKES WITH 6+1" OF TRAVEL ARE THE FIRST KONAS TO APPLY THIS GROUND BREAKING INNOVATION.

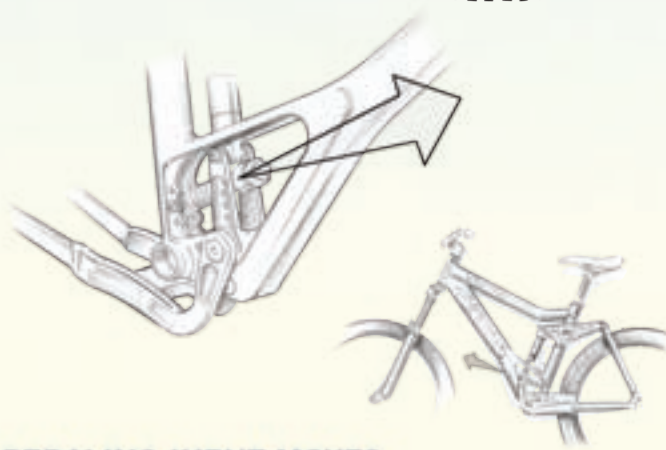

COILAIR SUPREME

COMPETITION ...
FREERIDE
CLIMBER
CROSS COUNTRY

Our top of the line air sprung Enduro/Freeride pedaler, the Coilair Supreme upgrades your ass suspension to a Fox RP23. With 165mm up front, the combo makes the Coilair Supreme our Holy Shrine of air sprung Freeride pedal power.

DAWG

ALL DAY ALL MOUNTAIN

THE DAWG LINE IS THAT ONE CATEGORY OF MOUNTAIN BIKE THAT FALLS UNDER THE "IF I COULD ONLY OWN ONE BIKE... BLAH, BLAH, BLAH" WE'VE ALL HEARD IT BEFORE. MAYBE WE'VE NEVER BELIEVED IT BECAUSE THE SCISSORS NEVER WORKED ON THE SWISS ARMY KNIFE, OR THE MULCHER NEVER WORKED ON THE MOWER. WE'RE HERE TO TELL YOU THAT THIS IS DIFFERENT. DAWGS WORK ON A WIDE VARIETY OF TRAILS AND HAVE AN "ALL DAY / ALL MOUNTAIN" GEOMETRY THAT BEGS TO BE PUSHED HARD AND FAST GOING DOWN, AND IS A PLEASURE TO CLIMB. NEW FOR THE DAWGS THIS YEAR ARE SCANDIUM BUTTED FRAMES, MAG ROCKERS AND INCREASED STANDOVER.

DAWG SUPREME

COMPETITION •
FREERIDE •••
CLIMBER ••••
CROSS COUNTRY •••••

This year's Dawg Supreme is our top notch machine to combine cross country agility with all-mountain (all-day) comfort and performance. Climbing for two hours and then descending through loose shale requires a design solution, and Dawg Supreme fills the need.

A nighttime photograph of a desert landscape. In the background, several large, illuminated tents or structures are visible, with bright lights emanating from them. The foreground is dark, with some desert vegetation and a large, spiky plant on the left. The overall scene is illuminated by the artificial lights of the structures, creating a high-contrast, dramatic effect.

The **KONA 24HR. GLOBAL SERIES** travels the globe in 2007 searching again for those individuals who enjoy mixing a big party with their bike racing.

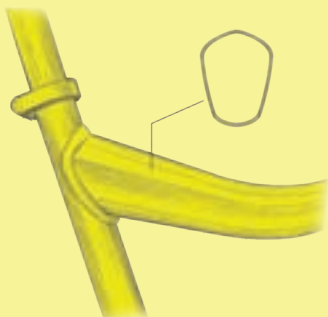

This year, participants of the only global
24-HOUR RACE SERIES will have four opportunities
to race their mountain bikes for an entire day, with
24-HOUR EVENTS planned in...

TUCSON, ARIZONA
FORREST, AUSTRALIA
DERBYSHIRE, UK
LEVI, FINLAND

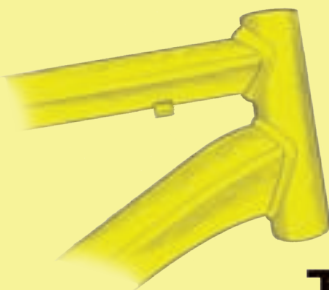

FOUR IS A GOOD NUMBER A LOT OF THE TIME

Sometimes four is all you need, and three just feels too small and five is one too many. Four is the only number in the English language for which the number of letters in its name is equal to the number itself. There are four human blood groups, and there are four fundamental forces in physics (call Jake to find out what they are). On computer keyboards, the four key may also be used to type the dollar sign (\$) if the shift key is held down. In Ice Hockey, four was the jersey number worn by Hall of Famers Jean Beliveau and Bobby Orr. Yep ... we like four

Warranty ‘n Stuff: The Kona limited frame warranty is only available to registered Kona owners. The Kona limited frame warranty covers manufacturing and material defects, but excludes crashes and bad landings. Wild maneuvers are fun, but bikes and bones can break ... Have fun, but beware! Wear a helmet. Kona Clump riders pictured in this catalog are professionals, don't try these stunts at home! Specifications are subject to change without notice. Skid in your shorts, not on the trail.
