

MOTOBÉCANE

MOTOBECANE exports to many countries around the world with a special design to suit the needs of each. The models in this catalogue are built for the U.S. market with unique specifications especially designed for the American taste and riding habits.

MOTOBECANE was established over a half century ago and is now the largest two wheel manufacturer in Europe. The factory is divided into three divisions; motorcycles and motorbikes; standard bicycles; and hand built racing and touring bicycles.

TANDEM

Semi-racing under 45 lbs. For touring and sport, it doubles the pleasure of bicycling together.

NOMADE 24"

Built to similar specifications of its big brother 27" Nomade, giving an adult ride to the young cyclist.

NOMADE 18"

Definitely not a toy, but designed for the beginner who wants to enjoy the pleasures of true cycling.

riviera

3-speed folding, designed for everyone in the family to enjoy by simply adjusting the handlebar and the seat. It is easy to carry in a car, camper, or a boat and is fun to ride anywhere.

nobly/3

SPEEDS

Probably the lightest and most
nimble 3-speed bicycle built today,
for those who want comfort and
simplicity.

MOTOBÉCANE

nobly/10
