BOTTLE CAGE

ALLOY

BC A07

BOTTLE CAGE

> **ALLOY PLATE BOTTLE CAGE** Material: alloy
Finish: powder coated & anodized
Color: black

> **PLEASE NOTE** – bicycle frame requires threaded holes for installation of bottle cages.

> **EASY INSTALLATION:** Use a 4mm hex key (not included) to fasten cages in screw holes on frame. The included screws are standard size for water bottle cage mounts.

> Oval and ergonomic design helps to strengthen its hold, keeping bottles securely in place while providing easy access for riders.

> Great for rides around town or for touring
Perfect for those who want a stylish cage to lighten their load as they ride .
