2010 GT® WHEELS4LIFE TREKKING BIKE

A special bike supporting a special cause. The limited-edition, lush green, gold-accented GT® Wheels4Life trekking bike featuring a lightweight aluminum frame and Shimano components commemorates the non-profit organization established by biking legend, Hans Rey. Proceeds from the sale of each bike will help Wheels4Life continue to provide low-cost bikes to individuals in need of transportation in developing countries.
