The mark of a Real Raleigh is the Heron's Head Crest and only bicycles bearing this emblem are made to the exact specifications and with all the special quality features described in this catalog.

1. **FRAMES** Frames feature humped construction for additional strength at tubing joints. Stress points are reinforced with extra bracing. This construction gives maximum strength with minimum weight.

2. **SELF-ADJUSTING BRAKES** New unique Raleigh safety brakes provide an extra modern, automatically compensates for cable stretch and brake wear - keeping maximum brake efficiency.

3. **HUB DAMPERS** Shimmy Action, of course, recognized the world over, dampens and doubles the work of the axle.

4. **RIMS & SPOKES** are Raleigh pattern for extra strength and maximum weight.

5. **FRONT TUBING** High quality, high carbon steel tubing gives maximum strength and weight saving.

6. **PEDALS** Reflectors on front and rear of pedals are standard equipment on all Raleigh models for additional safety.

7. **FENDER** Steel ribbed section with double-welded on brackets. Removable and durable.

8. **CHAINWHEEL** New strong, lightweight chainwheel and crank for smooth, efficient performance.

9. **BOTTOM BRACKET ASSEMBLY** Features micro-adjustment for the individual ball bearing seat, giving a smooth, friction-free operation.

10. **LEATHER SADDLES** Are featured prominently on Raleigh models, produced from top quality leather for long life and maximum seat comfort.

11. **THE EXCLUSIVE RALEIGH CUSTOMIZER** The Raleigh Customizer ensures you a perfect fit by measuring your whole and comparing, by Raleigh, the Customizer adjusts to your precise riding measurements at the fit of the car. The measurements are transferred to your Raleigh bicycle to give you the proper frame and wheel size and seat and handlebar adjustments. The Raleigh Customizer is another special way to ensure you.

FINISH Raleigh selection of high-quality chrome plating and the world over is the finest due to the high quality metal and over 100 years' experience in the world market.

Raleigh Industries of America, Inc. ("Raleigh") warrants the bicycle identified below to be free of any defects in workmanship and materials under normal use upon the terms hereinafter set forth. This warranty is limited, however, solely to the repair or replacement of original parts which, in Raleigh's opinion, are defective in workmanship or material, and which are returned to the Dealer from whom the bicycle was purchased or to any authorized Raleigh Dealer. The liability of Raleigh shall be limited solely to the cost of the affected part. All other costs shall be those of the purchaser. In no event shall Raleigh be liable to the purchaser of said bicycle or to third parties for special or consequential damage.

It is requested that said bicycle should be returned to the authorized Raleigh Dealer who sold the bicycle for inspection and adjustment within thirty (30) days after the date of purchase. If the bicycle was assembled by said Raleigh Dealer, said inspection and adjustment shall not be at the purchaser's expense. If, however, the bicycle was assembled by anyone other than said Raleigh Dealer, all expenses will be borne by the purchaser.

This warranty does not cover (I) defects, damage or deterioration due to normal use, wear and tear or exposure, (II) damage or defect due to misuse, alteration, negligence or accident, and (III) damage or defect due to the repair of the bicycle by someone other than an authorized Raleigh Dealer or the installation of parts other than genuine Raleigh parts.

This warranty is in lieu of all other express or implied warranties of Raleigh, including any implied warranty of merchantability or of fitness for any particular purpose. Raleigh does not assume, or authorize any person to assume, on its behalf, any other obligation or liability.
