Exercisers

905-26

902-22

Futura

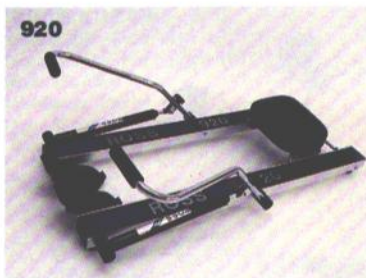

Model No. 902-22

The **Futura** is designed for the more economy minded. The **Futura** features a fully enclosed chainwheel, speedometer and odometer, plus Ross' new tension control system.

Dorchester

Model No. 903-33

The **Dorchester**, in chrome, is the middle-priced model. It combines all the quality features of the **Futura** model, and more. The **Dorchester** sports a black wheel cover and the speedometer, odometer, and timer, are displayed in a black console.

920

905-13

Regency

Model No. 905-26, 905-13

The top-of-the-line is the Ross **Regency**, in sandalwood with brown seat and trim.

The **Regency** is built with front and rear base assemblies, and adjustable levelers for balance. The heavy-duty tubular steel frame has a chrome plated flywheel and new tension control system which gives an unusually smooth ride. The **Regency** has a double-side chain protector and cushioned hand grips. The console features speedometer, odometer and a timer.

The **Regency** model is also available in silver, with black seat and grips. Console and chainguard insert features a black matte finish.

Rowing Machine

Model No. 920

Ross Warranty

Ross Bicycles Incorporated (hereinafter called **Ross**) warrants the entire bicycle (except tires and tubes) to be free from defects in material and workmanship without any time limit to the original purchaser.

WHAT ROSS WILL DO:

In the event of a defective bicycle or part, **Ross** will, at its option, repair or replace the defective bicycle or part within the Warranty period, at no cost to you except for shipping or dealer labor charges (if applicable).

WHAT YOU MUST DO:

If you discover a defect within the Warranty period, you must follow this procedure:

- a) Bring the bicycle to the original dealer from whom it was purchased. If the dealer from whom you purchased this bicycle determines upon examination that either a repair or replacement is justified and such determination is verified by **Ross**, repair or replacement will be made in accordance with this Warranty.
- b) You must also bring to the original selling dealer a copy of the sales slip or other proof of purchase of the bicycle in the case of a claim under the Warranty.
- c) If the foregoing is not possible, write for assistance to: Parts and Service Dept., Ross Bicycles Incorporated, 200 Cascade Drive, Allentown, PA 18103. In your letter, state your full name and address and the reason why you believe there is a defect in your bicycle, and inform **Ross** of the date and under what conditions, the defect was discovered. Be sure to include a copy of the sales slip or other proof of purchase.
- d) When the **Ross** dealer receives your bicycle for repairs (and under no condition is **Ross** responsible for damage in transit) the dealer may then determine, upon inspection, that this

Warranty does not apply, in which case you will be so notified with a reason stated and you will be advised of the cost of repair and shipping. You may then advise the **Ross** dealer to make the repairs or to return the bicycle to you. In either case, you must make payment therefor to the **Ross** dealer. If you fail to do so within sixty (60) days of the **Ross** dealer's notice to you, the **Ross** dealer shall be free to return the bicycle to you C.O.D. and you must pay the shipping expenses upon receipt. If you fail to pay C.O.D. charges and the bicycle is returned to the **Ross** dealer, the dealer may then dispose of it, without any liability to you.

LIMITATIONS, EXCLUSIONS AND OTHER RIGHTS:

- a) This Warranty does not cover tires and tubes or any failure due to accident, abuse, misuse, or neglect, or as a result of normal wear and tear.
- b) The sole responsibility of **Ross** pursuant to the terms of this Warranty, if any, shall be repair or replacement.
- c) The liability of **Ross** shall in no event exceed the original purchase price of the bicycle, and **Ross** shall not be liable for any consequential or incidental damages of any nature, including for example, but not by way of limitation, damages for personal injuries or damages to property. This statement constitutes the exclusive expression of Warranty by **Ross** and is in lieu of any and all other warranties.
- d) No modifications of this Warranty are authorized. There are no promises, terms, conditions or warranties other than those contained herein.
- e) Some states do not allow limitations on how long an implied Warranty lasts or the exclusion or limitation of incidental or consequential

damages, so the above limitation or exclusion may not apply to you.

f) This Warranty gives you specific legal rights and you may also have other rights which vary from state to state.

g) Do not alter or use bicycles manufactured by **Ross** in stunt riding, dirt riding, or similar activities, or with motors or power driven assists as power driven vehicles. Do not operate bicycles manufactured by **Ross** with multiple riders or tow another person or vehicle. Any of the foregoing will invalidate this Warranty and **Ross** shall not be liable for any failure, loss, damage, or injury resulting from such uses and/or alterations described in this paragraph.

All of the terms and conditions of this limited Warranty also apply to exercise bicycles manufactured by **Ross**.
