NUOVO RACING

Sleek Italian styling and proven European components make this an excellent choice. Campagnolo Nuovo Record derailleurs, double-butted Columbus frame, TTT stem, seatpost and saddle, Ofmega Competition hubs, headset, crankset, and pedals. Mavic Module E2 rims, and Clement 100 psi skinwall tires complete this thoroughbred Italian. Colors: White, Celeste

PROFESSIONAL

Quick-handling and responsive, the Professional is happy on a twisting country road or racing Criteriums. Tight geometry and completely double-budded Chrome-Moly frame combine with Sugino SuperMighty crankset, Suntour Superbe Pro derailleurs, New Winner 6-speed freewheel, Selle Italia Aero II saddle, and Panaracer 270 gram tubular tires. To give you professional performance. Colors: Celeste, Black

CAMPIONE D'ITALIA

Race-ready as delivered, the Campione d'Italia packs favorite Italian equipment onto a Columbus frame. Campagnolo N.R. derailleurs and fluted seat-post, G.S. pedals, TTT saddle and Bianchi-engraved stem, Ofmega CX crankset, Ofmega Competition hubs are integrated with Regina Oro freewheel and chain, and Wolber 300 gram tubulars on Mavic Monthlery rims. An Italian champion to inspire excellence.
Colors: Celeste, White

RALLYE

The ultimate in handcrafted touring design, the Rallye features Campagnolo Gran Sport triple crankset and Mafac cantilever brakes. The quality continues with Columbus Tretubi frame, Campagnolo G.S. derailleurs and padded anatomic saddle. Finishing with Campagnolo Tipo hubs, Mavic Module E2 rims and Clement 100 psi skin-wall tires, the Rallye exhibits a straight forward excellence seldom seen in a touring bicycle.

CAMPIONE DEL MONDO

Ridden in international competition, this world champion features Campagnolo equipment, including Nuovo Record derailleurs, engraved seatpost, Gran Sport hubs and brakes with Super Record levers. Other components include TTT saddle and TTT Bianchi-engraved stem. Join the European teams in victory. Colors: Celeste, Black

TIPO CORSA

Exclusively customized for the competitive rider and proudly presented with all Campagnolo Nuovo Record components. The Columbus frame, designed to racing specs, is complemented by Campagnolo's total reliability and performance. Highlighted with Super Record chainwheel, cast fork crown, and TTT Bianchi-engraved stem. Enter the professional world of Bianchi racing. Colors: Celeste, Silver

SUPER LEGGERA

A masterpiece of cycling design. The frame is a custom blend of Columbus SP and SL tubing for maximum strength and liveliness. Our premium choice of components includes Campagnolo Super Record crankset, brakeset with engraved levers, derailleurs, headset, Nuovo Record hubs, bottom bracket, fluted seatpost, TTT Bianchi-engraved stem, Cinelli # 2 saddle, Clement 270 gram tubulars, and Mavic OR 10 rims. Super Leggera—proven in World Championship racing. Colors: Celeste, Black

ECO PISTA

The track bike that provides ultimate fixed-gear performance at a price that makes it easy to breakaway. All Columbus-tubed, with a Gipiemme Pista Gruppo, TTT bars and stem, San Marco saddle and seatpost, Mavic rims dressed with Clement 300 gram tubulars. Whether it's pursuits, sprints, or Madisons, the Eco Pista challenges all others. Colors: Celeste, Black

SUPER PISTA

Super-specialized for the most grueling track events, the Super Pista features Columbus PS-tubed frame, Campagnolo Record Pista Gruppo, Cinelli #2 saddle, and 32 spoke wheels, tied and soldered, with Clement Pista tires on Mavic OR 10 rims. Meticulous craftsmanship with an enviable track history, including the 1982 World Championship medal.
