- Accurate, easy to read gauge
- Presta or Schrader convertible head

- 24 mm alloy barrel
- Carbon fiber T-handle & head finish
- Presta/Schrader convertible head

Cyclone Mini Pump

TIRES

Natural

66™

- Natural rubber and a herringbone side tread offers outstanding traction and durability
- Lightweight, supple 66TPI
- 65 A durometer rubber

Moab™ Sweet Roll

- Fast rolling center tread mtb. tire with aggressive side knobs for great handling
- Front and rear tread designs
- Wire or kevlar bead with all black, skin side wall

HELMETS

Red/White*

White/Pattern**

- A race ready 17 vent helmet for the mountain or road
- An adjustable visor clicks into place to shield offroad hazards, remove it for aerodynamic road performance and styling
- Schwinn's TrueFit fit system provides no-slip comfort and Airstream technology maximizes cooling

Typhoon™

1.0

Typhoon™

2.0

- A cross-purpose 13 vent helmet designed for the mountain or road enthusiast
- Packed full of high-end innovations, the Typhoon 2.0 features TrueFit and Airstream systems for optimal performance, fit and cooling

Orange/White

Blue/White

Titanium/White

White

Blue

- A road inspired design that shares all the features of the Typhoon 2.0 minus the visor
- Loaded with value, the Typhoon 3.0 offers TrueFit and Airstream for great fit over a wide range of head sizes and cooling you can feel at any speed

Typhoon™

3.0

Thrasher™

- A youth helmet with adult styling and ventilation
- An integrated visor shields the face and can't be lost, the TrueFit system adjusts to accommodate for years of growth
- Three graphic designs leave plenty of room for individual style

Blue

White

Pink

Pink/Floral

Blue/Darts

Red/White*

Sticker Kit

Mini™

- The Mini offers full coverage in a comfortable, well ventilated helmet
- Soft foam TrueFit head cradle keeps the helmet secure, fleece fit pads are washable and can be placed to adjust airflow
- A sticker kit makes the helmet fun

There's Good Fit, and there's TrueFit.

- Head cradle prevents fore/aft movement, works with helmet straps to prevent lateral roll
- Twist lock guides adjust quickly and easily. Soft tubular retention straps lay comfortably against skin
- Moisture wicking fleece pads come in two sizes for optimal fit and comfort

Airstream Technology. "Air Conditioning for your head."

- Intake vents lead to exhaust ports for unobstructed air flow
- Air vents are wide inside and out for maximum ventilation
- Visor design aids airflow, deflects sun, rain, and wheel spray

* Includes Team Sticker Kit
