

WE DON'T PAINSTAKINGLY CREATE SOME OF THE BEST BIKES ON THE PLANET TO SERVE AS SOME FANCY COBWEB COLLECTOR IN A DARK CORNER OF A POSEUR'S GARAGE. SCOTT BIKES ARE BUILT FOR ONE REASON... TO RIDE... THROUGH JUST ABOUT ANYTHING MOTHER NATURE'S GOT ABOVE WATER. AND AS LONG AS RIDING'S AN ESSENTIAL PART OF YOUR LIFE, DOESN'T IT MAKE SENSE TO RIDE THE BEST EQUIPMENT? THAT'S WHY WE SWEAT THE DETAILS ON EVERY SINGLE BIKE. □

WE'RE ON THE SINGLETRACK, INSIDE THE PELOTON, AND MOST IMPORTANT, ATOP THE PODIUM. OUR DESIGN TEAM INCLUDES NATIONAL AND INTERNATIONAL CYCLING CHAMPIONS. THE KIND OF PEOPLE WHO RIDE TO WORK AND THEN FORGO LUNCH TO RIDE SOME MORE. ALL IN PURSUIT OF BIKES THAT PERFORM, FOR YOU. LIVE DELIBERATELY, SELECT THE PROPER BIKE, RIDE FREQUENTLY.
