

CINELLI SPECIALE CORSA BICYCLES:

Our Cinelli S. C. racing bicycles are among the world's finest. They are built to our specifications, and are identical in design and quality to those used by the best European professionals. The frames are built with the utmost accuracy and attention to detail, and with only the best of materials.

Mr. Cino Cinelli of Milan, Italy, heads his small company which specializes in frames, handlebars, and handlebar extensions. He specializes in racing equipment and his reputation stands with his products, he has nothing else to carry him.
