CYCLES PEUGEOT
(U.S.A.), INC.

Peugeot's PY10CP "Prestige" racing bicycle is a professional model available by special order. The "Prestige" features the Reynolds 531 butted frame and forks, the Stronglight 105 bis crankset and Simplex 5000 series alloy derailleurs. As a special order bicycle the "Prestige" offers many component options for the racer or serious touring cyclist. See your Authorized Peugeot Dealer for complete details.

The PY10CP "Prestige" is equipped with SPIDEL components.

Stronglight 105 is Stronglight's latest and best crankset featuring drilled chainwheels and anodized components.

Peugeot PNX10E frame set is built from the famous Reynolds 531 butted tubing with Nervex lugs. All Peugeot/Reynolds frame sets are specially hand made.

Features of the newly designed Peugeot PKN10E include the Simplex SX410T alloy rear derailleur and maillard 6-speed freewheel and low flange "Competition" polished alloy hubs.
